The children witnessed the grandeur of a five-star property, enjoying a delightful high tea, fun-filled games and a tour of the hotel

In an exemplary initiative, The Leela Gandhinagar hosted more than 100 children from the Visamo Kids Foundation, Ahmedabad, ensuring a dreamy beginning to the new year for the underprivileged kids. The children witnessed the grandeur of a five-star property, enjoying a delightful high tea, fun-filled games and a tour of the hotel, and were left awe-struck by the amazing experience.

Vikas Sood, General Manager of The Leela Gandhinagar, said “It was truly a wonderful feeling to see the smiles on the faces of the children, many of who had stepped into a five-star hotel for the first time. Moments like these are a special reminder of the true essence of hospitality.”
